March & April in Review

Winter held an icy grip as March winds blew across our mountain. Though it was our first winter in the Southeastern U.S. in several years, it seemed to be one of the coldest. Working closer to home gave us time to schedule doctor visits and complete some much needed home repairs. It also gave us the opportunity to be back in our home church and to get acquainted with several new churches in neighboring communities.

We began the month of March by answering an invitation to preach at Calvary Baptist Church near our home in Trenton, GA. We were also privileged to be a part of the Annual Missions Conference at Kenwood First Baptist Church of Fayetteville, GA. In the Sunday services following a Sunday School Workshop at Berean Baptist Church of Ellenwood, GA; one young lady trusted Christ as her Savior and the church added us to their missionary family for monthly support. Praise the Lord!

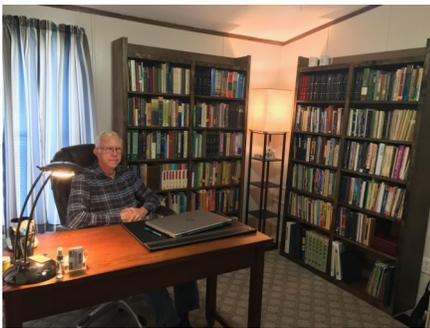

In April we headed west for a series of workshops and meetings in Illinois, Kansas, and Nebraska.

Along with our ministry work of the past two months, we have continued to work "remotely" toward settling the estate of Pam's Mom who went home to Heaven in January. Please continue to pray for wisdom as we work to draw these things to a close in just a few weeks.

Almost 12 Years Later

In 2006, when Pam and I said good-bye to the church family that we loved in Northeast Ohio, I packed the books and resources in my study for the move to Georgia. Little did I realize the change in direction that God had set before us would leave those resources stacked in neat rows of boxes for a very long time.

I often prayed as I sat in my makeshift study and dug through boxes for a particular book that God would supply the need for new bookshelves and a comfortable place

to work whenever we were at home. God answered in a wonderful way when a dear pastor and his church offered

to build beautiful new bookshelves. Through several other special gifts, we were able to remodel the study and purchase matching office furniture. While I have been home only a few days to enjoy this blessing, it has been a great help to have the tools of my work at arm's reach once again. Thanks to our Lord and the kind folks who shared.

Have You Seen It?

After several months of scripting, recording, and editing; we have completed our new promotional video for the Sunday School Leadership and Teacher Training Workshops. Many thanks to Brother Dean Coulter for his voice-over work, our pianist, Curtis Broadway, and our video specialist (and my daughter) Jenni Kight for helping us to make this project a reality. It can be viewed on YouTube by searching "CPR Ministries Sunday School Workshops." I have included a link for those who receive our letters by email.

Our March-April schedule included five of these Workshops spanning a distance of over 1200 miles. A recent Workshop at Freedom Baptist Church of Stamford, NE marked our 40th.

In addition, we also conducted our second Advanced Workshop for the Heartland Baptist Church of St. Elmo, IL. We are currently working to add several new segments to this program which should be ready in July.

Praises & Prayers

Changes & Challenges - A recent series of cancellations has left us open for the entire month of May and a portion of June. No doubt, God has something special in mind. Please pray that God will direct our path for these days.

Praise the Lord - We have a buyer for the house left by Pam's Mom. Please pray with us that this sale can be completed smoothly by the May 16th closing date. Pray also as we travel to finish the final repairs on the property required for the sale.

Thanks for making a difference through prayer!
